Vinson&Elkins

Summer Associate Program

Connect with Success

Vinson & Elkins is home to talented, driven people who enjoy working together. Life at our firm centers on delivering excellent work and service, advising on highly complex matters, succeeding through teamwork, and caring for our clients, colleagues, and communities.

With more than 700 lawyers across 14 offices, we work with leading companies on wide-ranging matters in key industries across the economy, including conventional and renewable energy, finance, infrastructure, technology, media, real estate, transportation, and more.

Drawing on deep knowledge and experience, we engage closely with our clients, providing forward-thinking counsel that positions them to achieve their goals.

Start your career at Vinson & Elkins!

Scan to learn more.

From the start of your Vinson & Elkins experience, you'll have opportunities to do meaningful work with a variety of practices, in a friendly environment where lawyers and business professionals help you learn and succeed.

Summer experiences include participating in strategy discussions for cases and deals, joining meetings with clients and opposing counsel, taking on research projects, handling pro bono matters, drafting documents, and attending depositions.

V&E's Summer Associate Program also offers social, cultural, and wellness activities, so you can get to know your colleagues in a relaxed setting.
